3/4 123 123

Intro: |  | |  |  | (X2)

      
Lover, when I'm near you, and I hear you speak my name

       
Softly in my ear you breathe a flame

      
Lover, when we're dancing, keep on glancing in my eyes

      
Till love's own en-chanting music dies

       
All of my future is in you, you're every plan I de-sign

       
Promise you'll always con-tinue to be mine

      
Lover, please be tender, when you're tender, fears de-part

       
Lover, I sur-render to my heart

          
To my heart, to my heart
