LULLABY IN RAGTIME (BAR)-Sylvia Fine

4/4 1...2...1234

Intro:

Won't you play the music so the cradle can rock to a lullaby in ragtime

Sleepy hands are creeping to the end of the clock, play a lullaby in ragtime

You can tell the sandman is on his way by the way that they play

As still as the trill of a thrush at twilight's hush.....so you can hear the

Rhythm of the ripples on the side of the boat as you sail a-way to dreamland

High above the moon you hear a silvery note as the sandman takes your hand

So rock-a-bye my baby, don't you cry my baby, sleepy time is nigh

Won't you rock me to a ragtime lull - a - by.

So rock-a-bye my baby, don't you cry my baby, sleepy time is nigh

Won't you rock me to a ragtime lull - a - by.
