

MAKE IT WITH YOU (BAR)-David Gates

4/4 1...2...1234

Intro: |  |  | (X2)

Hey, have you ever tried really reaching out for the other side

I may be climbing on rainbows, but, baby, here goes

Dreams, they're for those who sleep, life is for us to keep

And if you're wondering what this song is leading to

I want to make it with you,

I really think that we could make it, girl

No, you don't know me well, in every little thing, only time will tell

   

But you believe the things that I do, and we'll see it through

   

Life can be short or long, love can be right or wrong

p.2. Make It With You

And if I chose the one I'd like to help me through

I'd like to make it with you

I really think that we could make it, girl

Interlude:

Baby, you know that dreams, they're for those who sleep, life is for us to keep

And if I chose the one I'd like to help me through

I'd like to make it with you

I really think that we could make it, girl
