

A MAN AND A WOMAN

(UN HOMME ET UNE FEMME)

Intro:      (X2)

When hearts are passing in the night, in the lonely night
 And in the silence of a mist, of a morning mist

Then they must hold each other tight, oh, so very tight
 When lips are waiting to be kissed, longing to be kissed

And take a chance that in the light, in tomorrow's light they'll stay to-gether, so much in love (2nd verse)
 Where is the reason to resist and deny a kiss that holds a promise of happi-ness?

Though yester-day still sur-rounds you with a warm and precious memo-ry

Maybe for to-morrow we can build a new dream for you and me

p.2. A Man and a Woman

This glow we feel is something rare, something really rare
When life is passing in the night, in the rushing night

So come and say you want to share, want to really share
A man, a woman in the night, in the lonely night

The beauty waiting for us there, calling for us there
Must take a chance that in the light, in tomorrow's light

That only loving can give the heart ("When life is passing....")
They'll be to-gether, so much in love,

To-gether, so much in love, so tell me you're not a-fraid to take a chance, really take a chance

Let your heart begin to dance, let it sing and dance

To the music of a glance, of a fleeting glance

To the music of romance, of a new romance, take a chance!
