# MEAN OL' MOON<sub>(BAR)</sub> -Seth McFarlane/Walter Murphy

4/4 1...2...1234

**Intro:** |  |  |  |  |  |

Mean ol' moon, it must be fun to shine up-on me, as I come un-done

'Til I'm all a-lone, be-neath the sun, you mean ol' moon

With your beam, you led the way, and found me love I thought was here to stay

Then you went and took my love a-way, you mean ol' moon

Oh, you mean ol' stars a-bove, the games that you play with me

I could find some happi-ness, if all of my nights were cloud - y

Mean ol' moon, I hope it's true, you're taking all the light that's left in you

And saving it up for you know who, you mean ol' moon, you mean ol' moon.
