# MISTY ROSES<sub>(BAR)</sub>-Tim Hardin

**Intro:**     **X2**

**You look to me like misty roses:**

**Too soft to touch, but too lovely to leave alone**

**If I could be like misty roses,**

**I'd love you much, you're too lovely to leave alone**

**Flowers often cry, but too late to find,**

**That their beauty has been lost, with their peace of mind**

**You look to me like love for-ever**

**Too good to last, but too lovely..... not to try**

**If I be-lieve in love for-ever,**

**I'd forget the past, you're too lovely to leave alone**
