NEVER SWAT A FLY (BAR)

4/4 1...2...1234

Love has made me tender, I now appreci-ate every little creature on this earth that has a mate.

Once I hated crickets, I couldn't stand a bee. Now here is a motto that I follow faithful-ly:

Never swat a fly, he may love an-other fly

He may sit with her and sigh the way I do with you

Never harm a flea, he may have a favorite she

That he bounces on his knee the way I do with you

Never stop a bee if he is going anywhere

Or you may be concluding some terrific love affair..... be careful

Don't step on an ant in the middle of a pant

He may want to, but he can't the way I do with you!

p.2 Never Swat a Fly

Never swat a fly, he may love an-other fly

He may sit with her and sigh the way I do with you

Never spray a nit with a great big can of Flit

He may think some nit has it the way I do with you

Never stop a moth when he is gliding through the air

He may have a date in someone's flannel underwear.....be careful

Don't you dare to slay two mosquitos while they play

They may want to make hey, hey the way I do with you
