
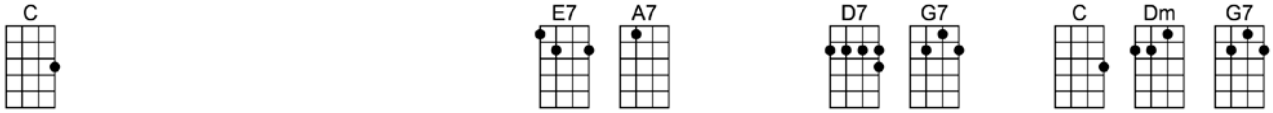
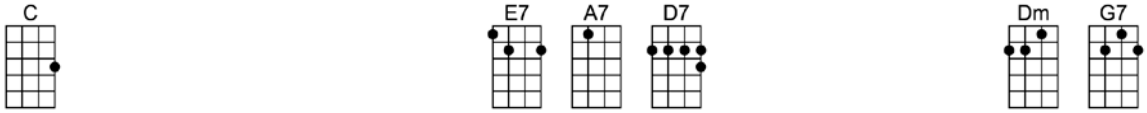
THE NIGHT HAS A THOUSAND EYES

4/4 1234 12 (without intro)

Intro: 
X2

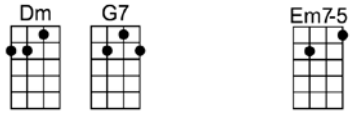


They say that you're a runaround lover, though you say it isn't so

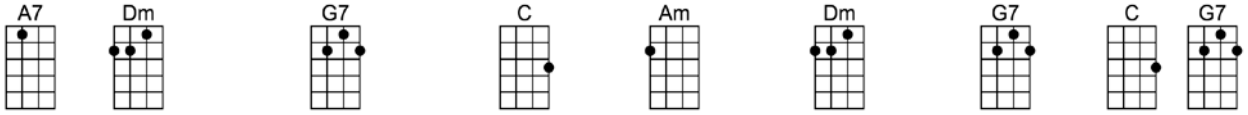


But, if you put me down for an-other, I'll know, believe me, I'll know

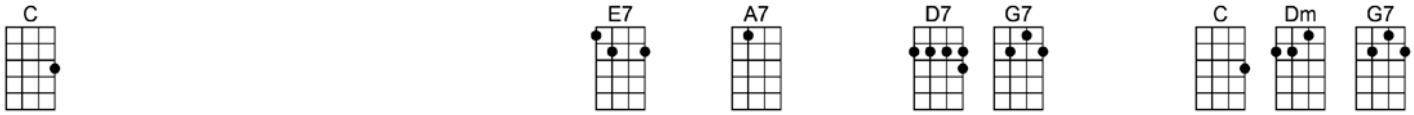
'Cause the night has a thousand eyes, and a thousand eyes can't help but see



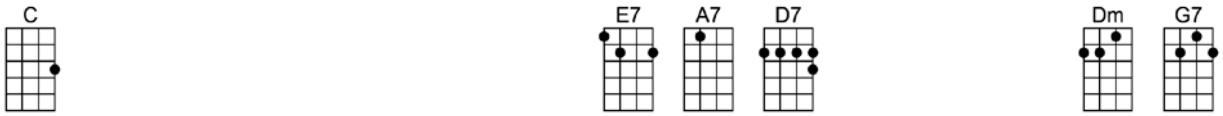
If you are true to me



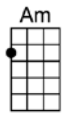
So, re-member when you tell those little white lies that the night has a thousand eyes

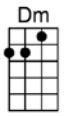


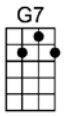
You say that you're at home when you phone me, and how much you really care

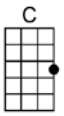


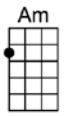
Though you keep telling me that you're lonely, I'll know if someone is there



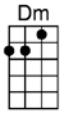


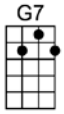


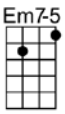




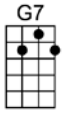
‘Cause the night has a thousand eyes, and a thousand eyes can’t help but see

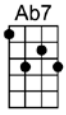




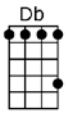


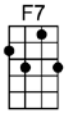
If you are true to me

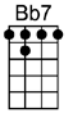


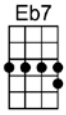


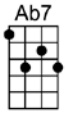
So, re-member when you tell those little white lies that the night has a thousand eyes

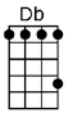


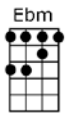


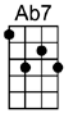




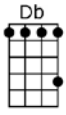


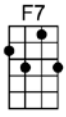


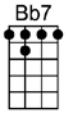


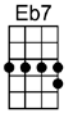


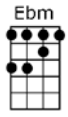
One of these days you’re gonna be sorry ‘cause your game I’m gonna play

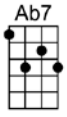




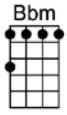


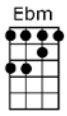


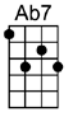


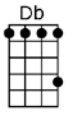


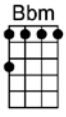
And you’ll find out without really tryin’ each time that my kisses stray



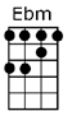


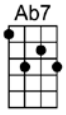


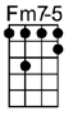




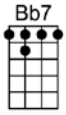
‘Cause the night has a thousand eyes, and a thousand eyes will see me too,

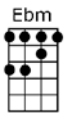


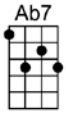


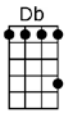


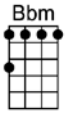
And no matter what I do

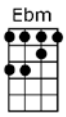


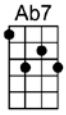


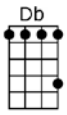




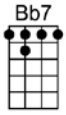


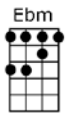


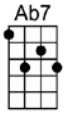


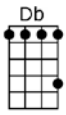


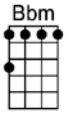
I could never dis-guise all my little white lies ‘cause the night has a thousand eyes

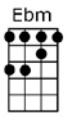


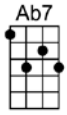


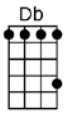












So, re-member when you tell those little white lies that the night has a thousand eyes (end on Db)
