

NO MATTER WHAT (BAR)-Andrew Lloyd Webber

4/4 1...2...1234

-Jim Steinman, Nigel Wright

Intro: |  |  |  |  |

No matter what they tell us, no matter what they do

No matter what they teach us,   what we be-lieve is true  

No matter what they call us, however they at-tack

No matter where they take us,   we'll find our own way back  

I can't deny what I believe, I can't be what I'm not

I know our love's for-ever, I know no matter what

If only tears were laughter, if only night was day

If only prayers were answered,   then we would hear God say  

No matter what they tell you, no matter what they do

No matter what they teach you,   what you be-lieve is true  

p.2. No Matter What

And I will keep you safe and strong, and shelter from the storm

No matter where it's barren, our dream is being born

Interlude:

No matter who they follow, no matter where they lead

No matter how they judge us, I'll be every-one you need

No matter if the sun don't shine, or if the skies are blue

No matter what the end is, my life be-gan with you

I can't deny what I believe, I can't be what I'm not

I know this love's for-ever, that's all that matters now, No Matter What,

No, No Matter What, No, No Matter What (That's all that matters to me)
