This happened once be-fore when I came to your door, no re-ply

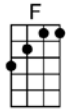

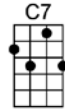

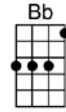

They said it wasn't you, but I saw you peep through your window

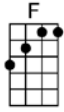

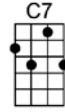

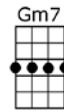

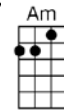

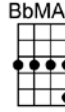

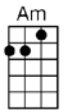

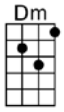

I saw the light, I saw the light, I know that you saw me, 'cause I looked up to see your face

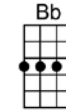

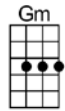

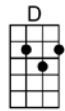

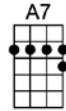

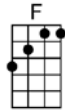

I tried to tele-phone, they said you were not home, that's a lie

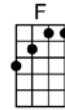

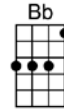

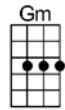

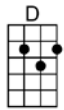

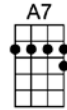

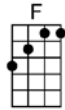

'Cause I know where you've been, I saw you walk in your door

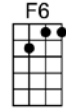

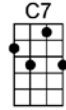

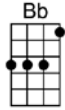

I nearly died, I nearly died, 'cause you walked hand in hand with another man in my place

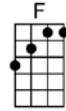

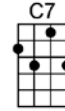

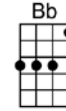

If I were you I'd realize that I love you more than any other guy

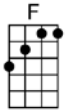

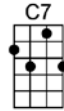

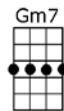

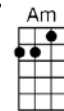

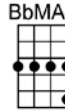

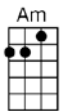

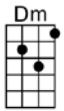

And I'll for-give the lies that I heard be-fore when you gave me no re-ply

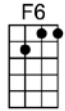

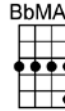

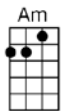

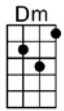

I tried to tele-phone, they said you were not home, that's a lie

'Cause I know where you've been, I saw you walk in your door

I nearly died, I nearly died, 'cause you walked hand in hand with another man in my place

No re-ply, no re-ply
