Chug chug, rollin' a - long, chug chug, rollin' a - long,

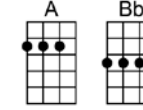

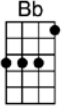

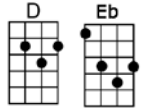

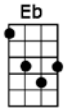

Chug chug, rollin' a - long, chug chug, rollin' a -long,

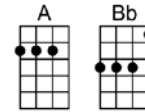

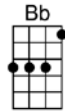

He's ol' man riv - er, chug chug, rollin' a - long,

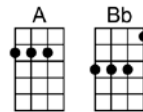

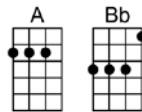

That ol' man river, that ol' man river,

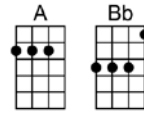

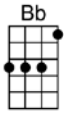

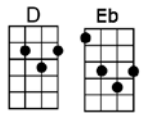

He don't say nothin', but he must know somethin'

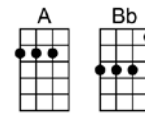

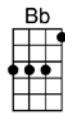

He's ol' man riv - er, he keeps on, just a rollin' a-long. chug chug, rollin' a - long

He don't plant taters, he don't plant cotton,

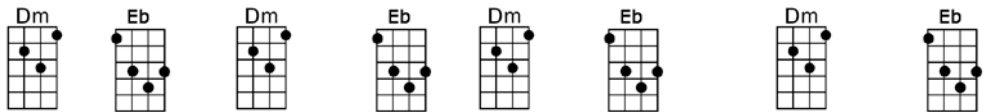

And them that plants 'em are soon forgotten

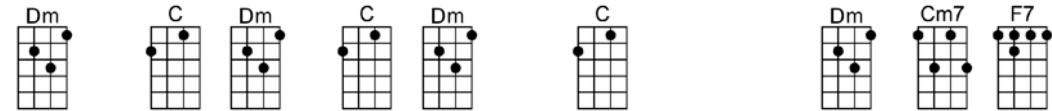

He's ol' man riv - er, he keeps on, just a rollin' a-long. chug chug, rollin' a - long,

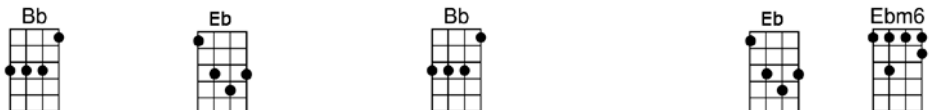

p.2. Ol' Man River

 You and me, we sweat and strain, body's all achin', and racked with pain

 Tote that barge, lift that bale, get a little drunk, and you'll land in jail

 I gets weary, sick of tryin', tired of livin', and scared of dyin'

 But ol' man river, he just keeps rollin' a-long, ol' man river, keeps rollin, ol' man river

 He's ol' man riv - er, chug chug, rollin' a - long, chug chug, rollin' a - long,

 Chug chug, rollin' a - long, chug chug, rollin' a -long,

 He's ol' man riv - er, chug chug, rollin' along
