Intro: |  |  |  |  |

  rise and look a-round   you,

  And you'll see who you are

   On a clear day, how it will a-stound you,

     That the glow of your being out-shines every star

      You feel part of every mountain, sea and shore

    You can hear, from far and near, a world you've never heard before

    And on a clear day, on that clear day,

              You can see for - ever and ever, and e - ver - more.
