p.2. On and On

On and on, he just keeps on trying, and he smiles when he feels like cry - ing

On and on, on and on, on and on

When the first time is the last time, it can make you feel so bad

But if you know it, show it, hold on tight, don't let her say "Good-night."

(X4)

Got the sun on my shoulders and my toes in the sand, woman's left me for some other man

Ah, but I don't care, I'll just dream and stay tanned, toss up my heart and see where it lands.

On and on, I just keep on trying, and I smile when I feel like dy - ing

On and on, on and on, on and on

on and on, on and on, on and on

On and on, on and on, on and on
