

# PEOPLE GOT TO BE FREE - Felix Cavaliere/Eddie Brigati

4/4 1...2...1234

All the world over, so easy to see, people every-where just wanna be free

Listen, please listen, that's the way it should be, peace in the valley, people got to be free

You should see what a lovely, lovely world this would be

Every-one learns to live to-gether

Seems to me such an easy, easy thing it should be

Why can't you and me learn to love one an-other

All the world over, so easy to see, people every-where just wanna be free

I can't under-stand, it's so simple to me, people every-where just gotta be free

p.2. People Got To Be Free

If there's a man who is down and needs a helping hand

All it takes is you to under-stand and to pull him through

Seems to me we got to solve it individual-ly

And I'll do unto you what you do to me

There'll be shouting from the mountains on out to sea. No two ways a-bout it, people have to be free

Ask me my o-pin-ion, my o- pin-ion will be: It's a natural situ-ation for a man to be free

(X2) Get right on board now

Oh, what a feeling just come over me, it's e-nough to move a mountain, make a blind man see

Everybody's dancing, we can all see peace in the valley, now they want to be free

All the world over, so easy to see, people every-where just wanna be free

I can't under-stand, it's so simple to me, people every-where just gotta be free
