Pretend you're happy when you're blue,

it isn't very hard to do

And you'll find happi-ness with-out an end, if only you pre-tend.

Remember, anyone can dream,

and nothing's bad as it may seem

The little things you haven't got could be a lot if you pre-tend.

You'll find a love you can share,

one you can call all your own

Just close your eyes, she'll be there,

you'll never be a-lone

And if you sing this melo-dy,

you'll be pre-tending, just like me

The world is mine, it can be yours, my friend, so why don't you pre-tend.
