RAIN (BAR)-Jose Feliciano

4/4 1...2...1234

Intro:  (4 measures)

Listen to the pouring rain, listen to it pour,

And with every drop of rain, you know I love you more

Let it rain all night long, let my love for you grow strong

As long as we're together, who cares about the weather?

Listen to the falling rain, listen to it fall

And with every drop of rain, I can hear you call

Call my name right out loud, I can hear above the clouds

And I'm here among the puddles, you and I together huddled

Listen to the falling rain, listen to the rain

p.2. Rain

It's rain - ing, it's pour - ing, the old man is snor - ing

Went to bed, and he bumped his head, he couldn't get up in the morn - ing

Listen to the falling rain, listen to it fall

And with every drop of rain, I can hear you call

Call my name right out loud, I can hear above the clouds

And I'm here among the puddles, you and I together huddled

Listen to the falling rain, listen to the rain, listen to the falling rain, listen to the rain,

Listen to the falling rain, listen to the rain
