
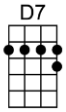
ROCKY RACCOON-Lennon/McCartney

4/4 1…2…1234

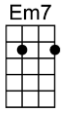
Intro: 

Now somewhere in the black mountain hills of Dakota

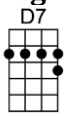
There lived a young boy named Rocky Rac-coon

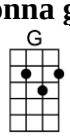


And one day his woman ran off with another guy

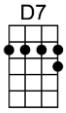


Hit young Rocky in the eye, Rocky didn't like that, he said, “I'm gonna get that boy”

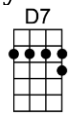




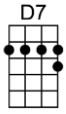
So one day he walked into town, and booked himself a room in the local saloon



Rocky Raccoon checked into his room, only to find Gideon's bible

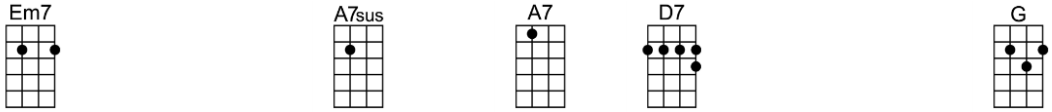


Rocky had come e-quipped with a gun, to shoot off the legs of his rival

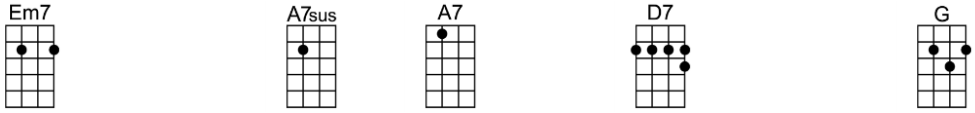


His rival it seems had broken his dreams, by stealing the girl of his fancy

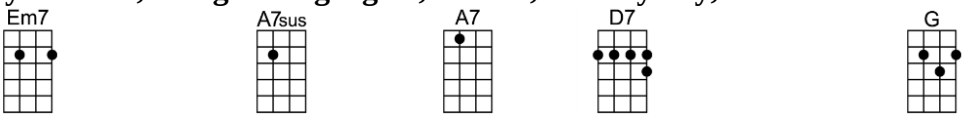
Her name was Magill, and she called herself Lil, but everyone knew her as Nancy



Now she and her man, who called himself Dan, were in the next room at the hoedown

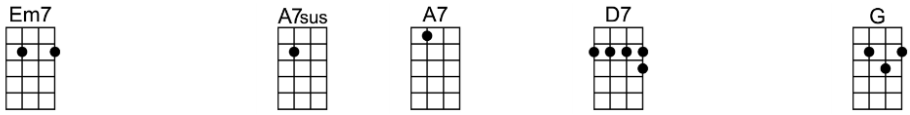


Rocky burst in, and grinning a grin, he said, "Danny boy, this is a showdown!"

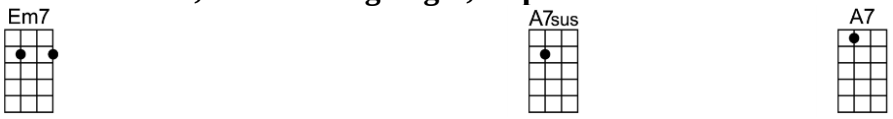


But Daniel was hot, he drew first and shot, and Rocky collapsed in the corner, ah

Interlude: 
(X2)

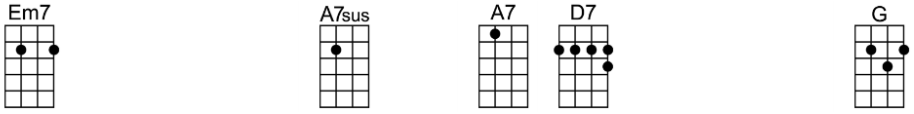


Now the doctor came in, and stinking of gin, he pro-ceeded to lie on the table

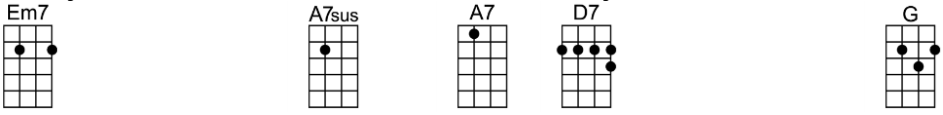


He said Rocky you met your match, and Rocky said, "Doc, it's only a scratch,

And I'll be better, I'll be better, doc, as soon as I am able."



Now Rocky Raccoon, he fell back in his room, only to find Gideon's bible



But Gideon checked out, he left in no doubt to aid in poor Rocky's re-vival, ah
