SAY IT ISN'T SO - Irving Berlin

1...2...123 (with intro) 1...2...1234 (with intro)

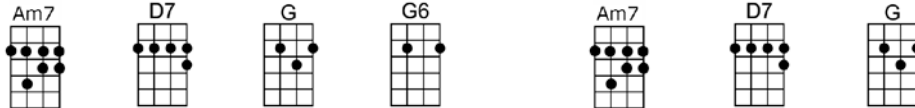

Verse:

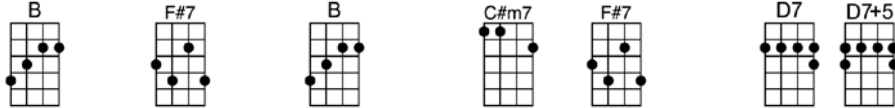

You can't stop people from talking, and they're talking, my dear

And the things they're saying fill my heart with fear

No, I could never believe them when they say that you're un-true

I know that they're mis-taken, still I want to hear it from you

Say it isn't so, say it isn't so, everyone is saying you don't love me, say it isn't so

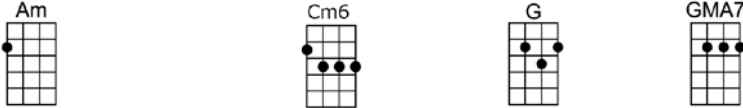

Everywhere I go, everyone I know, whispers that you're growing tired of me, say it isn't so

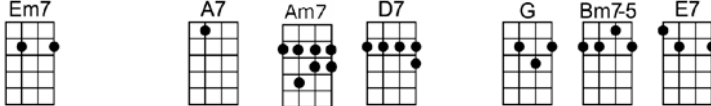

People say that you found somebody new,

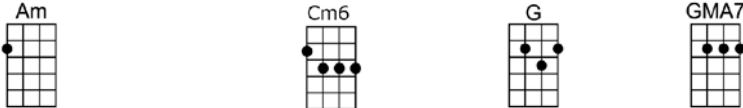

And it won't be long before you leave me, say it isn't true

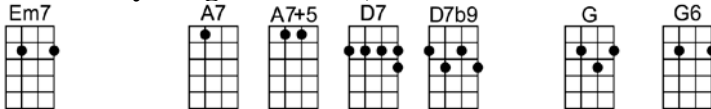

Say that everything is still OK, that's all I want to know

And what they're saying, say it isn't so!

Say that everything is still OK, that's all I want to know

And what they're say - ing, say it isn't so!
