SECRET O' LIFE - James Taylor

Intro: |  |  |  |  |  |  |

 |  |  | 

The secret of life is enjoying the passage of time

 |  |  |  |  |  | 

Any fool can do it. There ain't nothin' to it.

 |  |  |  | 

Nobody knows how we got to the top of the hill

 |  |  |  | 

But, since we're on our way down, we might as well enjoy the ride

 |  |  | 

The secret of love is in openin' up your heart

 |  |  |  |  |  | 

It's OK to feel a-fraid, but don't let that stand in your way

 |  |  |  | 

'Cause anyone knows that love is the only road

 |  |  |  |  |  | 

And, since we're only here for a while, we might as well show some style. Give us a smile

p.2. Secret O' Life

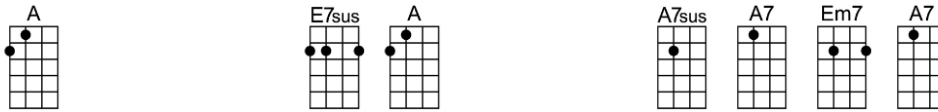

Isn't it a lovely ride, slidin' down, glidin' down

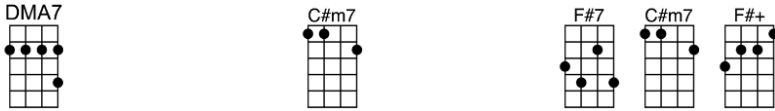

Try not to try too hard, it's just a lovely ride

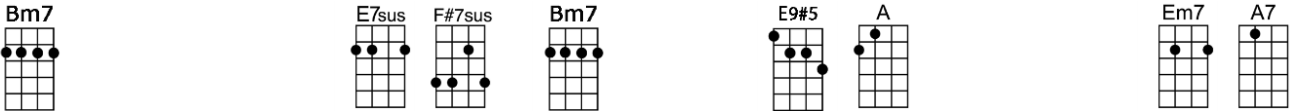

Now, the thing about time is that time isn't really real

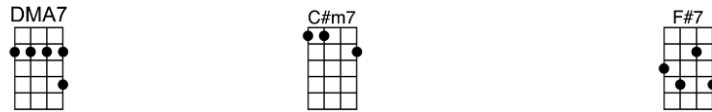

It's your point of view. How does it feel for you?

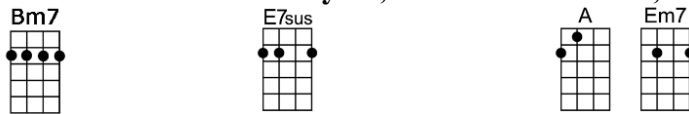

Einstein said he could never understand it all

Planets spinning through space, the smile upon your face, welcome to the human race.

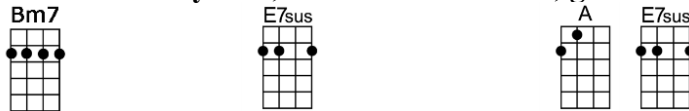

Some kind of love in rhyme, I'll be slidin' down, I'll be flyin' down

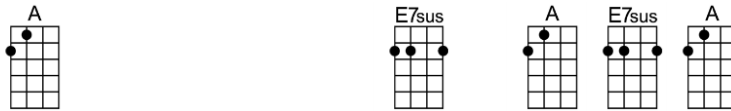

Try not to try too hard, it's just a lovely ride

Isn't it a lovely ride, see me slidin' down, glidin' down

Try not to try too hard, it's just a lovely ride

The secret of life is enjoying the passage of time
