

# THE SHADOW OF YOUR SMILE<sub>(BAR)</sub>-Mandell, Webster

4/4

One day we walked a-long the sand, one day in early spring.

You held a piper in your hand to mend its broken wing

Now I'll re-mem-ber many a day and many a lonely mile

The echo of a piper's song, the shadow of a smile.

The shadow of your smile when you are gone

Will color all my dreams and light the dawn

Look into my eyes, my love, and see

All the lovely things you are to me

**p. Shadow of Your Smile**

**Our wistful little star was far too high**

**A teardrop kissed your lips and so did I**

**Now when I re-member spring, all the joy that love can bring**

**I will be re-membering the shadow of your smile**

**Now when I re-member spring, all the joy that love can bring**

**I will be re-membering the shadow of your smile**
