# SHINE ON YOUR SHOES

4/4 1...2...123

When you feel as low as the bottom of a well and can't get out of the mood

Do something to perk yourself up, change your attitude.

Give a tug to your tie, put a crease in your pants, but if you really want to feet fine,

Give your shoes a shine.

When there's a shine on your shoes, there's a melody in your heart.

With a singable happy feelin', a wonderful way to start.

To face the world every day with a dee-dle dum dee da da

A little melody that is makin' the worryin' world go by

When you walk down the street, with a happy go lucky beat,

You'll find a lot of what I'll re-peat.

When there's a shine on your shoes and a melody in your heart

What a wonderful way to start the day.
