# SOMEONE TO WATCH OVER ME(BAR)-George & Ira Gershwin

There's a saying old, says that love is blind

Still, we're often told, "Seek and ye shall find."

So I'm going to seek a certain girl I've had in mind.

Looking every-where, haven't found her yet

She's the big af-fair I can-not forget

Only girl I ever think of with re-gret

I'd like to add her initials to my monogram.

Tell me, where is the shepherdess for this lost lamb?

There's a somebody I'm longing to see, I hope that she, turns out to be.

Some-one who'll watch over me

## p.2. Someone To Watch Over Me

I'm a little lamb who's lost in the wood, I know I could, always be good.

To one who'll watch over me.

Al-though I may not be the man some girls think of as handsome.

To her heart I'll carry the key

Won't you tell her please to put on some speed, follow my lead, oh how I need.

Some -one to watch over me,

Some -one to watch over me
