

SOMETHING'S GOTTA GIVE

1...2...1234

Intro:

Something's gotta give, something's gotta give, something's gotta give

When an irre - sistible force, such as you, meets an old im-movable object like me

You can bet as sure as you live,

Something's gotta give, something's gotta give, something's gotta give

When an irre - pressible smile such as yours, warms an old im-placable heart such as mine

Don't say no be-cause I in-sist, somewhere, somehow, someone's gonna be kissed

So en guard, who knows what the fates have in store from their vast, mysterious sky

I'll try hard ignoring those lips I adore, but how hard can anyone try?

p. 2 Something's Gotta Give

Fight, fight, fight, fight, fight it with all of our might,

Chances are some heavenly star-spangled night

We'll find out, as sure as we live,

Something's gotta give, something's gotta give, something's gotta give

Something's gotta give, something's gotta give, something's gotta give
