

# STARDUST<sub>(BAR)</sub>

And now the purple dusk of twilight time steals across the meadows of my heart

High up in the sky the little stars climb, always reminding me that we're a - part

You wandered down the lane and far away, leaving me a song that will not die

Love is now the Star Dust of yester-day, the music of the years gone by.

Some-times I wonder why I spend the lonely night dreaming of a song

The melody haunts my reve-rie, and I am once a-gain with you

When our love was new, and each kiss an inspir - a - tion

But that was long ago, now my consolation is in the stardust of a song

**p.2 Stardust**

**Be - side a garden wall when stars are bright you are in my arms**

**The nightingale tells his fairy tale of paradise where roses grew**

**Though I dream in vain, in my heart it will re-main**

**My stardust melo-dy, the memo-ry of love's re-frain**

**My stardust melo-dy, the memo-ry of love's re-frain**
