

# THE STORY OF A STARRY NIGHT-(BAR)

based on Tchaikovsky's 6th ("Pathétique") Symphony

4/4 1...2...1234

**Intro:**

This is the story of a starry night, the faded glory of a new de-light

One breathless meet - ing, two lips re-peat - ing

Three precious words that were sweet but fleet - ing...

When stars are bright my heart keeps wondering why

Our first "good-night" became our last good-bye

I pray that some day love will in some way

Bring back the story of a starry night

I pray that some day love will in some way

Bring back the story of a star - ry night
