

STRANGERS IN THE NIGHT_(BAR)

4/4 1...2...1234

Intro:  /    /  /    /

Strangers in the night exchanging glances, wond'ring in the night what were the chances

We'd be sharing love before the night was through

Something in your eyes was so inviting, something in your smile was so exciting

Something in my heart told me I must have you

BRIDGE:

Strangers in the night, two lonely people, we were strangers in the night

Up to the moment when we said our first hello, little did we know

Love was just a glance away, a warm embracing dance away, and

Ever since that night we've been together, lovers at first sight, in love for-ever

It turned out so right for strangers in the night

p.2. Strangers In the Night

Instrumental verse

BRIDGE:

Strangers in the night, two lonely people, we were strangers in the night

Up to the moment when we said our first hello, little did we know

Love was just a glance away, a warm embracing dance away, and

Ever since that night we've been together, lovers at first sight, in love for-ever

It turned out so right for strangers in the night

Dooby-dooby-doo.....

It turned out so right for strangers in the night, for strangers in the night

For strangers in the night
