# TAKE GOOD CARE OF MY BABY

4/4 1...2...1234

My tears are fallin' 'cause you've taken her a-way

And though it really hurts me so, there's something that I've gotta say

Take good care of my ba - by, please don't ever make her blue

Just tell her that you love her, make sure you're thinking of her

In every-thing you say and do

Aww, take good care of my ba-by, now don't you ever make her cry

Just let your love surround her, paint a rainbow all around her

Don't let her see a cloudy sky

**p.2. Take Good Care of My Baby**

**Once upon a time that little girl was mine      If I'd been true, I know she'd never      be with you**

**So,    take good care of my    ba - by,      be just as kind as you can be**

**And if you should discover      that you don't really love her**

**Just send my baby back home    to    me**

**Well,    take good care of my    ba - by,      be just as kind as you can be**

**And if you should discover      that you don't really love her**

**Just send my baby back home    to      me,    send my baby back home    to      me**

**Please send my baby back home    to      me**
