

THAT OLE DEVIL CALLED LOVE^(BAR)-Allan Roberts/Doris Fisher

4/4 1...2...123 (without intro)

Intro: | | | | |

It's that ole devil called love again,

Gets be-hind me and keeps giving me that shove again

Putting rain in my eyes, tears in my dreams, and rocks in my heart

It's that sly old son of a gun a-gain,

He keeps telling me I'm the lucky one again

But I still have that rain, still have those tears, and those rocks in my heart

S'pose I didn't stay, ran away, wouldn't play,

The devil what a potion he would brew

He'd follow me around, build me up, tear me down

Till I'll be so bewildered I wouldn't know what to do

p.2. That Ole Devil Called Love

Might as well give up that fight a-gain.

I know darn well he'll convince me that he's right again

When he sings that sorry song I've just gotta tag a-long

With that ole devil called love,

He'd follow me around, build me up, tear me down

Till I'll be so bewildered I wouldn't know what to do

Might as well give up that fight a-gain.

I know darn well he'll convince me that he's right again

When he sings that sorry song I've just gotta tag a-long

With that ole devil called love,

With that ole devil called love, with that ole devil called love
