

# TIJUANA JAIL(BAR)

4/4 1234 1 (without intro)

**Intro:**

We went one day about a month a-go to have a little fun in Mexi-co

We ended up in a gambling spot where the liquor flowed and the dice were hot

**CHORUS:**

So here we are in the Tijuana Jail, ain't got no friends to go our bail

So here we'll stay 'cause we can't pay. Just send our mail to the Tijuana Jail

I was shootin' dice, rakin' in the dough, and then I heard the whistle blow

We started to run when a man in blue said, Señ-or, come with me, 'cause I want you

**CHORUS**

Just five hundred dollars and they'll set us free, I couldn't raise a penny if you threatened me

I know five "hundred" don't sound like much, but just try to find somebody to touch

**CHORUS x2**
