

TILL WE MEET AGAIN - Richard Whiting/Raymond Egan

3/4

There's a song in the land of the lily, each sweetheart has heard with a sigh.

Over high garden walls this sweet echo falls, as a soldier boy whispers good-bye....

Smile the while you kiss me sad adieu. When the clouds roll by I'll come to you.

Then the skies will seem more blue, down in Lover's Lane, my dear-ie.

Wedding bells will ring so merrily, every tear will be a memo-ry.

So, wait and pray each night for me, till we meet a - gain.
