TOSSIN' AND TURNIN' (BAR)-Ritchie Adams/Malou Rene

Baby, baby, you did something to me!

I couldn't sleep at all last night, just a-thinkin' of you, baby, things weren't right

Well, I was tossin' and turnin', turnin' and tossin', I tossed and I turned all night

I kicked the blankets on the floor, turned my pillow upside-down, I never, never did be-fore,

'Cause I was tossin' and turnin', turnin' and tossin', I tossed and I turned all night

Jumped out of bed, turned on the light, I pulled down the shade, went to the kitchen for a bite

Rolled up the shade, turned off the light, I jumped back into bed, it was the middle of the night

The clock downstairs was striking four, couldn't get you off my mind, I met the milkman at the door,

'Cause I was tossin' and turnin', turnin' and tossin', I tossed and I turned all night

p.2. Tossin' and Turnin'

Instrumental:

Jumped out of bed, turned on the light, I pulled down the shade, went to the kitchen for a bite

Rolled up the shade, turned off the light, I jumped back into bed, it was the middle of the night

The clock downstairs was striking four, couldn't get you off my mind, I met the milkman at the door,

'Cause I was tossin' and turnin', turnin' and tossin', I tossed and I turned all yay, yay, yay,

I was tossin' and turnin', turnin' and tossin', I tossed and I turned all night!
