

# VENUS IN BLUE JEANS<sup>(BAR)</sup>-Howard Greenfield/Jack Keller

4/4 1...2...123 (without intro)

**Intro:** |  |  |  |  | (X2)

She's Venus in blue jeans, Mona Lisa with a pony - tail

She's a walkin', talkin' work of art, she's the girl who stole my heart

My Venus in blue jeans is the Cinderella I a -dore

She's my very special angel too, a fairy - tale come true

They say there're seven wonders in the world, but what they say is out of date

There're more than seven wonders in the world, I just met number eight

My Venus in blue jeans is everything I hoped she'd be

A teenage goddess from a-bove, and she be-longs to me

My Venus in blue jeans is everything I hoped she'd be

A teenage goddess from a-bove, and she be-longs to me
