WAITIN' FOR THE TRAIN TO COME IN (BAR)-Peggy Lee

4/4 1...2...1234

Intro:

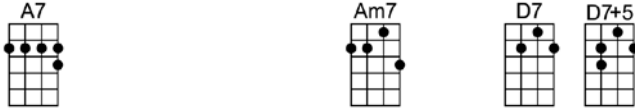

Waitin' for the train to come in

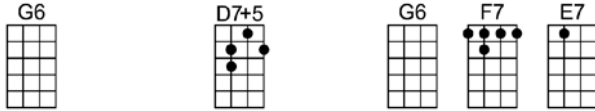

Waitin' for my gal to come home

I've counted every minute of each live-long day

Been so melancholy since she went a-way

I've shed a million teardrops or more

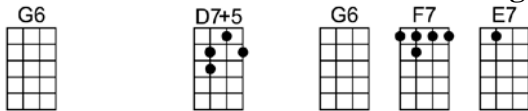

Waitin' for the one I adore

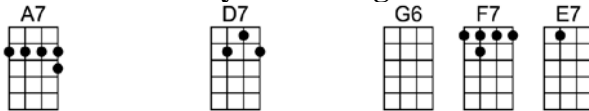

I'm waitin' in the depot by the railroad track

Lookin' for the choo-choo train that brings her back

I'm waitin' for my life to be-gin

Waitin' for the train to come in

Waitin'.... waitin'... I'm waitin' for the train to come in.
