

# WAITING AT THE END OF THE ROAD - Irving Berlin

4/4 1...2...1234 (without verse)

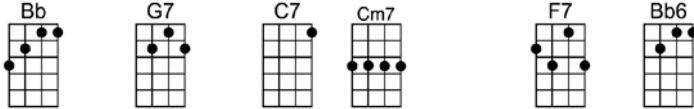

## VERSE:

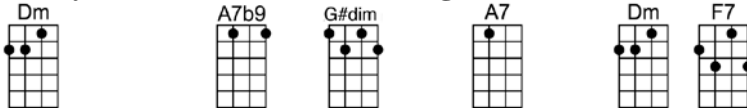

Weary of roaming on, yearning to see the dawn

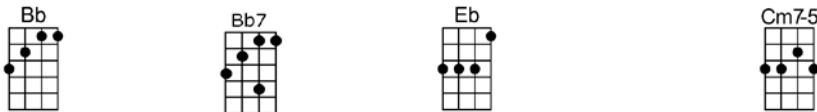

Counting the hours till I can lay down my load

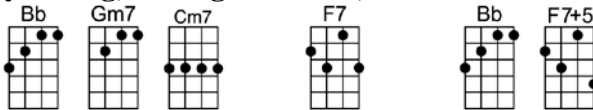

Weary but I don't mind, knowing that soon I'll find

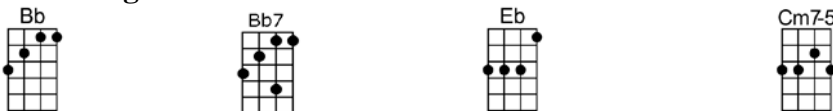

Peace and contentment at the end of the road

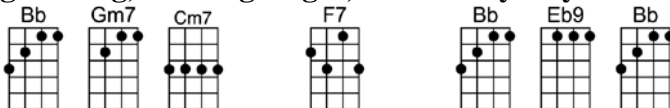

The way is long, the night is dark, but I don't mind 'cause a happy lark

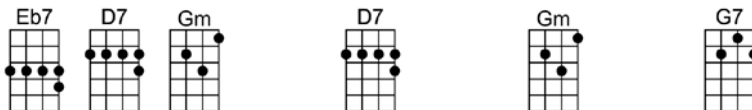

Will be sing - in' at the end of the road

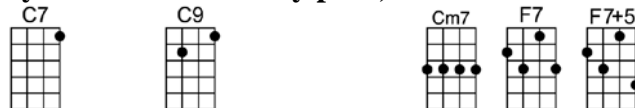

I can't go wrong, I must go right, I'll find my way 'cause a guiding light

Will be shin - in' at the end of the road

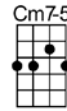

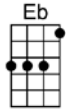

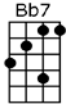

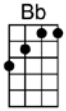

There may be thorns in my path, but I'll wear a smile

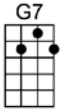

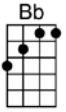

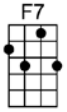

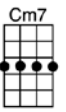

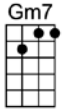

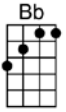

For in a little while, my path will be roses

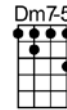

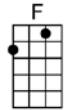

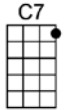

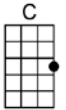

p.2. Waiting At the End of the Road

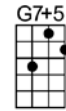

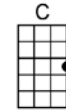

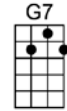

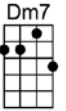

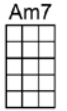

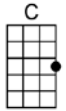

The rain may fall from up above, but I won't stop 'cause the ones I love

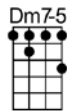

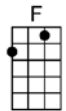

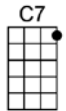

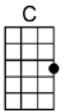

Will be wait - in' at the end of the road

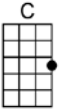

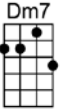

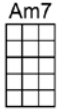

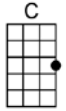

The way is long, the night is dark, but I don't mind 'cause a happy lark

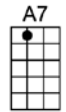

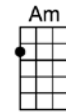

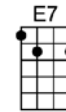

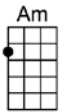

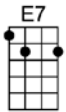

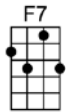

Will be sing - in' at the end of the road

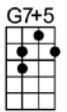

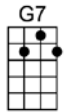

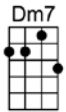

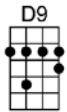

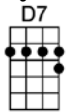

I can't go wrong, I must go right, I'll find my way 'cause a guiding light

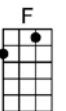

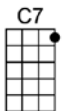

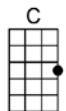

Will be shin - in' at the end of the road

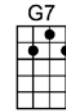

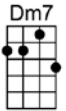

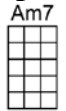

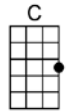

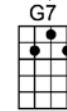

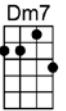

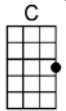

There may be thorns in my path, but I'll wear a smile

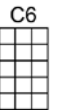

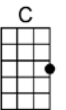

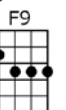

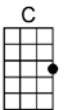

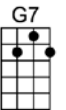

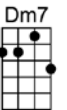

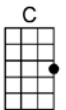

For in a little while, my path will be roses

The rain may fall from up above, but I won't stop 'cause the ones I love

Will be wait - in' at the end of the, wait - in' 'round the bend of the,

Wait - in' at the end of the road
