
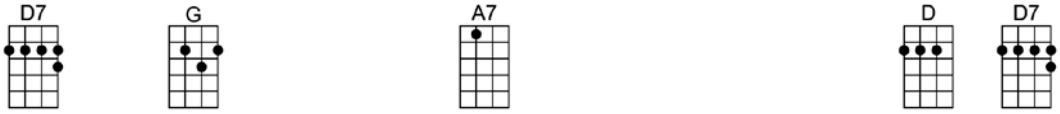
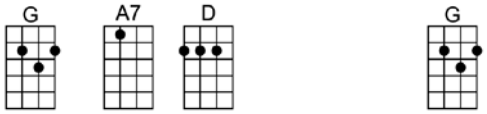
WATCHING THE RIVER RUN

3/4 123 123

If you've been thinking you're all that you've got, then don't feel alone any-more

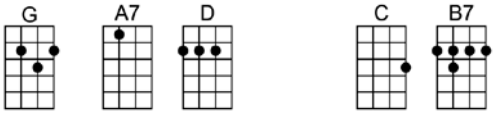


'Cause when we're to-gether then you've got a lot, 'cause I am the river and you are the shore



And it goes on and on, watching the river run,

Further and further from things that we've done, leaving them one by one



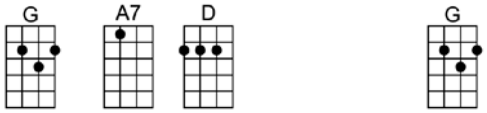
And we have just be-gun, watching the river run

Listening, learning and yearning, run, river, run.

Winding and swirling and dancing along, we pass by the old willow tree

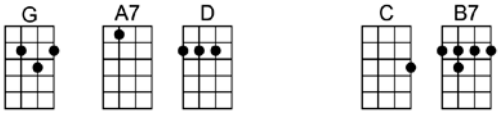
Where lovers ca-ress as we sing them our song, re-joicing together where we greet the sea

 Watching the River Run

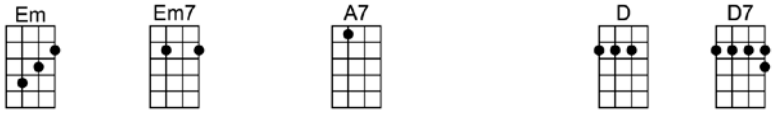


And it goes on and on, watching the river run,

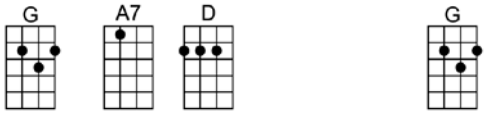
Further and further from things that we've done, leaving them one by one



And we have just be-gun, watching the river run

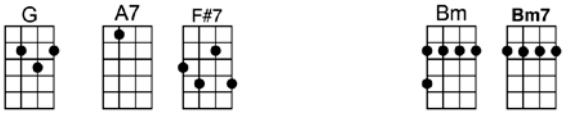


Listening, learning and yearning, run, river, run.



And it goes on and on, watching the river run,

Further and further from things that we've done, leaving them one by one



And we have just be-gun, watching the river run

Listening, learning and yearning, run, river, run.

Listening, learning and yearning, run, river, run.
