4/4 1...2...123 (without intro)

Intro:   /   / (X2)

So close your eyes, for that's a lovely way to be

Aware of things your heart alone was meant to see

The fundamental loneliness goes whenever two can dream a dream to-gether

You can't de-ny, don't try to fight the rising sea

Don't fight the moon, the stars above, and don't fight me

       

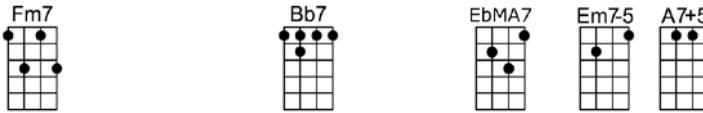

The fundamental loneliness goes whenever two can dream a dream to-gether

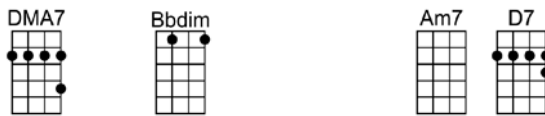

p.2. Wave

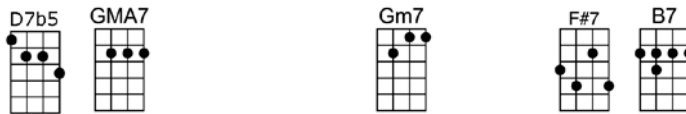

When I saw you first, the time was half past three

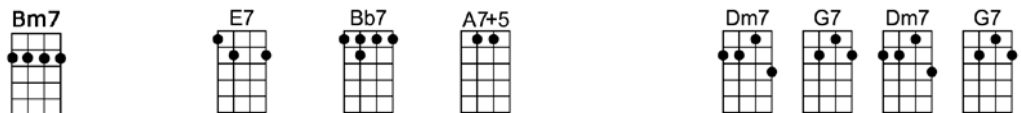

When your eyes met mine it was e-ternity

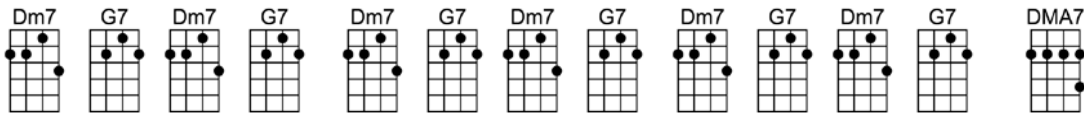

By now we know the wave is on its way to be

Just catch that wave, don't be afraid of loving me

The fundamental loneliness goes whenever two can dream a dream to-gether

To-gether, to-gether, to-gether, TO-GETHER
