

SING F#

THE WAY WE WERE

-Alan and Marilyn Bergman

4/4 1...2...1234 (slow count) -Marvin Hamlisch

Intro: First 2 lines

Memories light the corners of my mind

Misty water-colored memories of the way we were

Scattered pictures of the smiles we left be-hind

Smiles we gave to one an-other, for the way we were.

Can it be that it was all so simple then

Or has time rewritten every line

If we had the chance to do it all again,

Tell me, would we, could we

p.2. The Way We Were

Memories may be beautiful, and yet

What's too painful to re-member, we simply choose to for-get

So it's the laughter we will re-member

Whenever we re-member the way we were. **The way we were.**
