# WE NEED A LITTLE CHRISTMAS - Jerry Herman

4/4 1...2...1234

**Intro:**

**Haul** out the holly, put up the tree before my spirit falls again.

**Fill** up the stocking, I may be rushing things, but deck the halls again now.

For we need a little Christmas right this very minute,

Candles in the window, carols at the spinet.

Yes, we need a little Christmas right this very minute.

It hasn't snowed a single flurry, but Santa, dear, we're in a hurry!

**Climb** down the chimney, turn on the brightest string of lights I've ever seen.

**Slice** up the fruitcake, it's time we hung some tinsel on the evergreen bough.

## p.2. We Need a Little Christmas

**For I've grown a little leaner, grown a little colder,**

**Grown a little sadder, grown a little older,**

**And I need a little angel, sitting on my shoulder, need a little Christmas now.**

### Instrumental verse

**For we need a little music, need a little laughter,**

**Need a little singing, ringing through the rafter,**

**And we need a little snappy, happy ever after, need...a...little...Christmas....now.**
