Intro:  /  /  /  /

What the world needs now is love, sweet love. It's the only thing that there's just too little of

What the world needs now is love, sweet love. No, not just for some, but for everyone.

Lord, we don't need another mountain, there are mountains and hillsides e-nough to climb.

There are oceans and rivers e-nough to cross, e-nough to last till the end of time

      

What the world needs now is love, sweet love. It's the only thing that there's just too little of

      

What the world needs now is love, sweet love. No, not just for some, but for everyone.

p.2 What the World Needs Now

Lord, we don't need another meadow, there are cornfields and wheatfields e-nough to grow

There are sunbeams and moonbeams e-nough to shine, oh, listen, Lord, if you want to know

What the world needs now is love, sweet love. It's the only thing that there's just too little of

What the world needs now is love, sweet love.

No, not just for some, oh, but just for e - very, just for e - very,

Just for e - very - one.
