

# WILLOW, WEEP FOR ME-Ann Ronell

4/4 1...2...1234

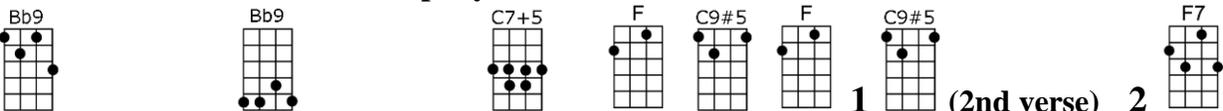

## Intro: First line

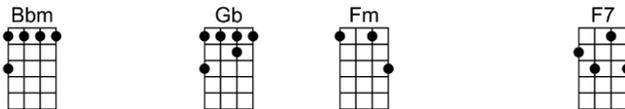

Willow, weep for me, willow, weep for me,  
Gone my lover's dream, lovely summer dream,

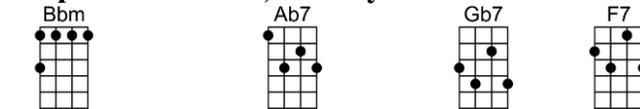

Bend your branches green along the stream that runs to sea.  
Gone and left me here to weep my tears into the stream.

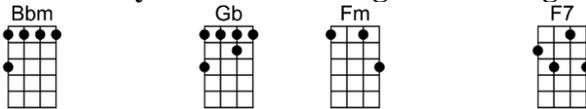

Listen to my plea, listen, willow and weep for me.  
Sad as I can be, hear me, willow, and weep for me.

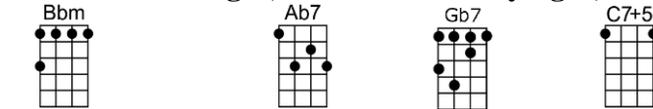

Whisper to the wind, and say that love has sinned

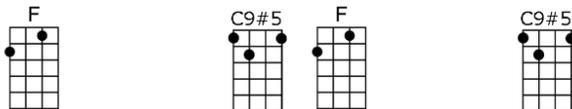

To leave my heart a-breaking and making a moan

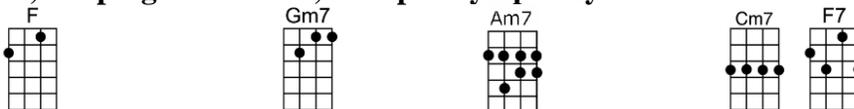

Murmur to the night, to hide her starry light,

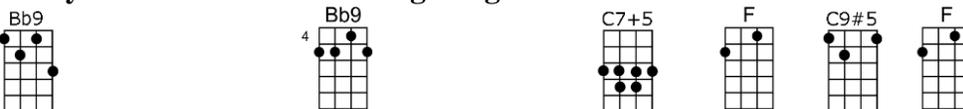

So none will find me sighing and crying all a-lone

Oh, weeping willow tree, weep in sympathy

Bend your branches down along the ground and cover me

When the shadows fall, bend, oh willow, and weep for me.

(RITARD)
