

# WIVES AND LOVERS - Burt Bacharach/Hal David

3/4 123 123

**Intro:** |  |  |  |  | (X2)

Hey, little girl, comb your hair, fix your makeup, soon he will open the door

Don't think be-cause there's a ring on your finger, you needn't try any-more

For wives should always be lovers too; run to his arms the moment he comes home to you

I'm warning you!

     

Day after day there are girls at the office, and men will always be men

     

Don't send him off with your hair still in curlers, you may not see him a-gain

**p.2. Wives and Lovers**

**For wives should always be lovers too; run to his arms the moment he comes home to you**

**He's almost here!**

**Hey, little girl, better wear something pretty, something you'd wear to go to the city**

**And dim all the lights, pour the wine, start the music, time to get ready for love**

**Instrumental:**

**Dim all the lights, pour the wine, start the music, time to get ready for love**

**Time to get ready, time to get ready for love**
