

SING F

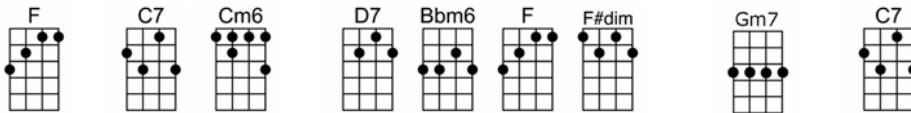

WOULDN'T IT BE LOVERLY^(BAR)

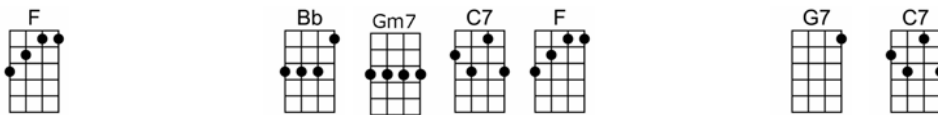

4/4 1...2...1234

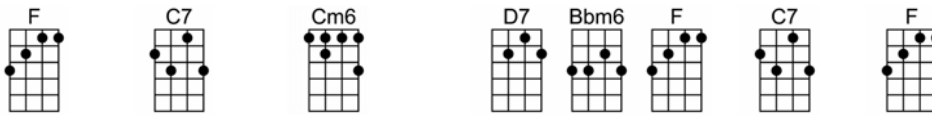

All I want is a room some-where, far away from the cold night air

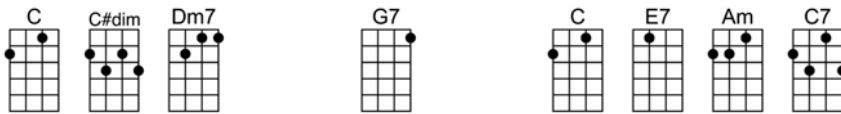

With one e-normous chair, oh, would- n't it be lovely?

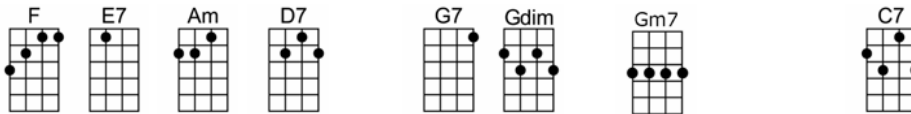

Lots of chocolate for me to eat, lots of coal makin' lots of heat

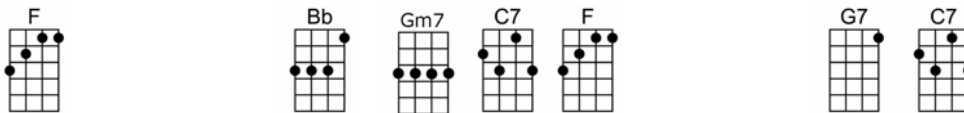

Warm face, warm hands, warm feet, oh, wouldn't it be lovely?

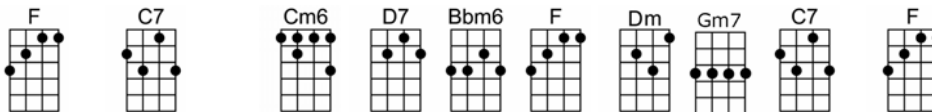

Oh, so lovely sittin' absobloomin' lute - ly still,

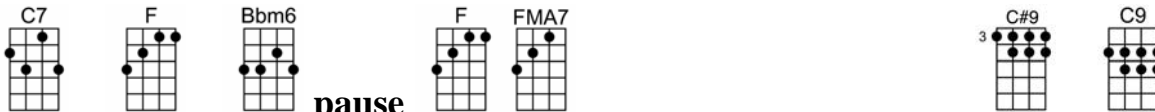

I would never budge 'til spring crept over the window sill.

Someone's 'ead restin' on my knee, warm and tender as he can be

Who takes good care of me oh, would-n't it be lovely,

Loverly, lovely, lovely, lover--ly! (To repeat, after final F, hit C#9 and C9)
