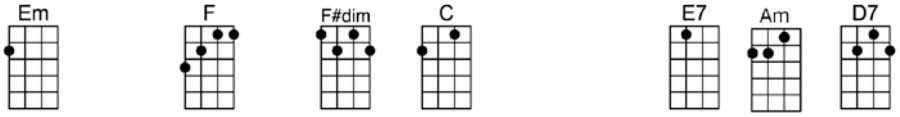
p.2. You Needed Me

You held my hand when it was cold, when I was lost, you took me home

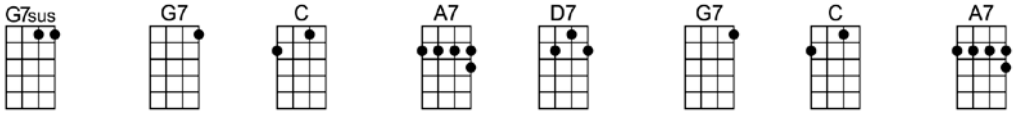
You gave me hope when I was at the end, and turned my lies back into truth again

You even called me friend

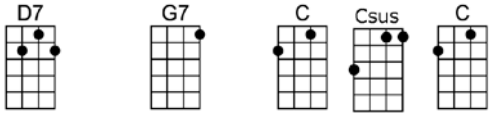
You gave me strength to stand a-lone again, to face the world out on my own again



You put me high upon a pedestal, so high that I could almost see e-ternity



You needed me, you needed me, you needed me, you needed me,



You needed me, you needed me
