

YOU'RE STILL THE ONE^(BAR)-Johanna Hall/John Hall

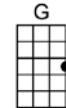

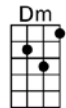

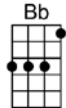

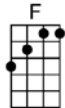

4/4 1...2...1234

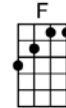

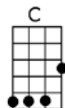

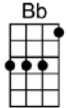

We've been together since way back when. Sometimes I never want to see you again

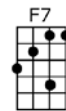

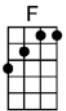

But I want you to know, after all these years, you're still the one I want whisperin' in my ear

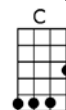

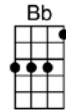

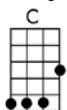

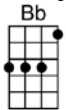

You're still the one I want to talk to in bed, still the one that turns my head

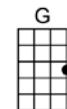

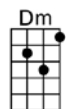

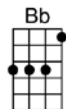

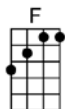

We're still having fun, and you're still the one

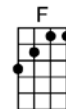

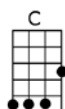

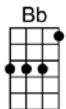

I looked at your face every day, but I never saw it 'til I went away

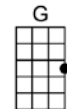

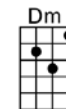

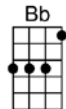

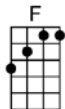

When winter came, I just wanted to go, deep in the desert, I longed for the snow

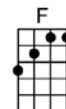

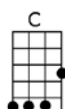

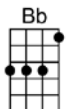

You're still the one that makes me laugh, still the one that's my better half

We're still having fun, and you're still the one

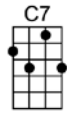

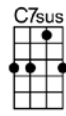

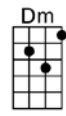

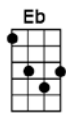

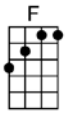

You're still the one that makes me strong, still the one I want to take along

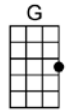

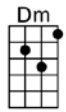

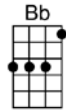

We're still having fun and you're still the one

p.2. You're Still the One

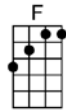

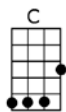

INSTRUMENTAL VERSE AND CHORUS

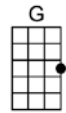

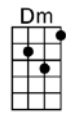

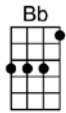

Changing, our love is going gold, even though we grow old, it grows new

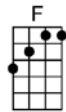

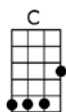

You're still the one that I love to touch, still the one and I can't get enough

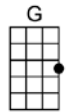

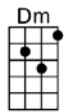

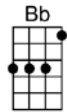

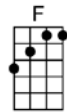

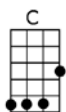

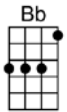

We're still having fun, and you're still the one

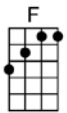

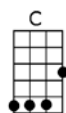

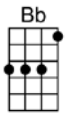

You're still the one who can scratch my itch, still the one and I wouldn't switch

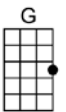

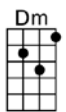

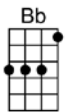

We're still having fun, and you're still the one

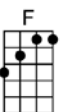

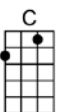

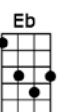

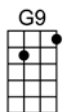

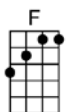

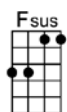

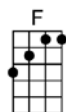

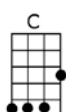

You are still the one that makes me shout, still the one that I dream about

We're still having fun, and you're still the one

You're still the one.....still the one

We're still having fun, and you're still the one
