

# YOUR SMILING FACE - James Taylor

4/4 1...2...1234

Intro:

X4 measures

When-ever I see your smiling face, I have to smile my-self, be-cause I love you.

And when you give me that pretty little pout, it turns me inside out.

There's somethin' a-bout you, baby, I don't know.

Isn't it a-mazing a man like me can feel this way?

Tell me how much longer, it can grow stronger every-day, oh, how much longer?

I thought I was in love a couple of times be-fore with the girl next door,

But that was long before I met ya. Now I'm sure that I won't for-get ya.

**p.2. Your Smiling Face**

**And I thank my lucky stars that you are who you are and not just**

**An-other lovely lady, sent down to break my heart.**

**Isn't it a-mazing a man like me can feel this way?**

**Tell me how much longer, it can grow stronger every-day**

**How much longer?**

**No one can tell me that I'm doin' wrong today, when-ever I see you smilin' at me**

**No one can tell me that I'm doin' wrong today, when-ever I see your smilin' face my way**

**No one can tell me that I'm doin' wrong today, when-ever I see you smilin' at me**

**No one can tell me that I'm doin' wrong today, when-ever I see your smil - in' face**
