YOU'VE GOT A FRIEND

INTRO: 4 2 2

When you're down and troubled and you need some lovin' care

And nothin', oh nothin' is goin' right

Close your eyes and think of me and soon I will be there

To brighten up even your darkest night

You just call out my name and you know, wherever I am

I'll come runnin' to see you again

Winter, Spring, Summer, or Fall, all you've got to do is call,

And I'll be there yeh, yeh, yeh, you've got a friend, you've got a friend

If the sky above you grows dark and full of clouds

And that ol' North Wind begins to blow

Keep your head together and call my name out loud

Soon you'll hear me knockin' at your door
You've Got a Friend

You just call out my name and you know, wherever I am

I'll come runnin' to see you a-gain

Winter, Spring, Summer, or Fall, all you've got to do is call,

And I'll be there yeh, yeh, yeh, yeh, yeh, yeh,

Hey, ain't it good to know that you've got a friend when people can be so cold

They'll hurt you, and de-sert you, they'll take your soul if you let them

Ah, but don't you let them.

You just call out my name and you know, wherever I am

I'll come runnin' to see you a-gain

Winter, Spring, Summer, or Fall, all you've got to do is call,

And I'll be there yeh, yeh, yeh, yeh, yeh, you've got a friend.....etc.
