

# ZING WENT THE STRINGS OF MY HEART<sub>(BAR)</sub>

4/4 1...2...1234

Dear, when you smiled at me,

I heard a melody; It

haunted me from the start

Something inside of me

started a symphony, zing went the strings of my heart

'Twas like a breath of Spring;

I heard a robin sing, a - 'bout a nest set a-part

All nature seemed to be

in perfect harmony, zing went the strings of my heart

Your eyes made skies seem blue again; What else could I do again?

But keep re-peating through and through, "I love you, love you."

I still recall the thrill, I guess I always will,

I hope 'twill never de-part,

Dear, with your lips to mine,

a rhapsody divine, zing went the strings of my heart.
