Four and twenty years ago, I come into this life

The son of a woman and a man who lived in strife

     

He was tired of bein' poor, and he wasn't into sellin' door to door

      

And he worked like the devil to be more

Interlude:      

A different kind of poverty now upsets me so

Night after sleepless night, I walk the floor and I want to know

     

Why am I so alone? Where is my woman can I bring her home?

      

Have I driven her away? Is she gone?
