

HOW TO USE THE DR. UKE MUSICAL PROGRAMS

Already prepared song lists:

- 1. Click on the desired “Dr. Uke’s Concert”**
- 2. Click on the song’s title**
- 3. Play the song, and return to the list for the next song**
- 4. Adjust the volume of the song to suit the audience**

To make, and play, your own lists:

- 1. Decide on songs from my Songs and Medley pages
(each song or medley must have an “s” following the title-meaning that it has audio)**
- 2. Make a list of the URL’s of the songs**
- 3. Click on the song’s URL**
- 4. Play the song, and return to the list for the next song**
- 5. Adjust the volume of the song to suit the audience**

“Real Time” program

- 1. Assemble the residents**
- 2. Ask each resident for his or her favorite song**
- 3. Look on my Songs list for the song (each song must have an “s” following the title-meaning that it has audio)**
- 4. Play the song**
- 5. Adjust the volume of the song to suit the audience**
