AFTER YOU GET WHAT YOU WANT (YOU DON'T WANT IT) (BAR)

4/4  1...2...1234-Irving Berlin

Intro:

Listen to me, honey dear, something's wrong with you, I fear

It's getting harder to please you, harder and harder each year

I don't want to make you blue, but you need a talking to

Like a lot of people I know, here's what's wrong with you

After you get what you want, you don't want it

If I gave you the moon, you'd grow tired of it soon.

You're like a baby, you want what you want when you want it.

But after you are presented with what you want, you're discontented
p.2. After You Get What You Want

You're always wishing and wanting for something

When you get what you want, you don't want what you get

And though I sit upon your knee, you'll grow tired of me,

'Cause after you get what you want, you don't want what you wanted at all.

Don't you say that I'm un-kind, think it over and you'll find

You've got a changeable nature, you're always changing your mind

There's a longing in your eye, that is hard to satisfy

You're unhappy most of the time, here's the reason why

After you get what you want, you don't want it

If I gave you the moon, you'd grow tired of it soon.

And though I sit upon your knee, you'll grow tired of me,

'Cause after you get what you want, you don't want what you wanted at all.
